- Developed a desktop application for car rental management using Java Swing and MySQL integration.
- **Keywords:** Java, Java Swing, NetBeans, MySQL.

CERTIFICATES

- **Revo LLC:** Internship Certificate as **Frontend Engineer**
- **RBK:** Docker Certification
- **Virtual University of Tunis:** Training Program in **Artificial Intelligence**
- **Cisco:** CCNA1 Certification

VOLUNTEER EXPERIENCE

Google Developer Groups On Campus

Active Member

2024–2025

- Participated in workshops and development events organized by the club.

ATIA FST Club

Active Member

2024–2025

- Participated in workshops and practical activities on AI and machine learning.
- Contributed to projects and challenges related to artificial intelligence.

IEEE ENIT

Active Member

2024–2025

- Participated in conferences, workshops, and technological events organized by IEEE.
- Collaborated with club members on technical and innovative projects.
